PET PARTNERS® EVALUATION INFORMATION SHEET

At the Evaluation the Handler will be required to provide the following:

1. Completed Handlers Questionnaire.
2. The animal's current rabies vaccination certificate. Rabies tag alone is not sufficient.

4. [Acceptable Equipment](#) (collar or harness) and leash.
5. The animal's brush or comb.
6. Treat for one of the exercises.

Please note that you and your animal are being evaluated as a team. This is a simulated visit as if you were visiting an institution. Please dress and conduct yourself accordingly. Animals must be clean and groomed. DO talk to your pet and do what is necessary to make your pet and the people conducting the evaluation comfortable. During the evaluation, you may praise, cue, encourage, and reassure your animal, but you may not offer food or use toys. Remember any undesirable activity in the parking lot or outside the testing room by you or your pet will be reported to the evaluator. Please do **NOT** arrive more than 30 minutes before your scheduled time.
